i-Sprint encourages all our partners to register the deal(s) you are working on with us. With your deal registered with i-Sprint, we can work closely with you to provide holistic offers and competitive pricing for the potential customer. During the registered deal valid period (3 months), i-Sprint assures that the channel partner will be the only authorized party to sell the mentioned i-Sprint services/products to the registered prospect.

Please click [here](#) to download the deal registration form. Once filled, kindly email the form to your account representative.

Currently, online registration of deal is not available. To submit your deal to i-Sprint, please download the form from this page and email to your account representative.

Software Maintenance and Support Services

[Support Portal Sign-In](#)

i-Sprint's Global Software Maintenance and Support Services ("GSS") defines the scope of maintenance and support services ("Maintenance Services") agreed between i-Sprint Innovations Pte Ltd or its group of companies ("i-Sprint") and Customer for i-Sprint's software product and solution offerings, namely, 'AccessMatrix', 'AccessReal', and 'YESsafe'.

The GSS and i-Sprint's end-user software license agreement ("EULA") both form an integral part of the applicable agreements between i-Sprint and Customer.

Technical support may no longer be offered for non-shipping versions of any of i-Sprint's software products. i-Sprint reserves the right to revise the product support policy, at any time, without prior notice.

[Support Lifecycle](#)

[Disclaimer](#)
