

i-Sprint Innovations get the top honors with CIO HONOUR AWARDS® 2014 in Singapore

Singapore , 8 October, 2014 — i-Sprint Innovations, a leader in Identity, Credential and Access Management Solutions , has received the top honors from Singapore's CIO community with the CIO HONOUR AWARDS® 2014 in TWO (2) categories at a glittering RED CARPET HONOUR AWARDS® reception event.

The categories are:

1. **End-to-End Encryption Security of Password & Sensitive Data**
2. **Mobile Authentication, Authorisation and SSO platform**

The CIO HONOUR AWARDS® is a powerful endorsement promoted by CXO HONOUR®, a recognized endorsement platform amongst the CIO community in Singapore. The Top honors were endorsed by an independent advisory council of eminent CIOs based on the results from an Opinion Poll that was made available to over 500+ CIOs in Singapore.

On winning this award, Mr. Dutch Ng, COO of i-Sprint said, "We feel extremely honored and delighted to be considered as a Top leader in 'End-to-End Encryption Security of Password & Sensitive Data' as well as 'Mobile Authentication, Authorisation and SSO platform' categories by Singapore's CIO community. We wish to thank all CIOs and IT Managers – including our customers and partners for their continued support and trust – and the distinguished CIO Advisory Council for endorsing us. This platform has not only helped us to connect with the CIO community at large, it has also given us an edge in the market as one of the most sought after brands. We will continue our efforts to deliver on our promise to our customers and partners as one of the most reliable brands in the market."

This industry honor is the greatest endorsement to the fact that i-Sprint is ahead of the curve when it comes to the best-of-the-best products that can provide the highest security in identity, credential and access management solutions for the Enterprise.

The CXO HONOUR® ([www.cxohonour.com](http://www.cxohonour.com)) is an online endorsement platform that is uniquely positioned to capture the preferences and the opinions of the relevant C-level suite about their ICM vendors. Because the endorsements are viewed as peer recommendations, the community considers it as a very valuable and trusted local source for the future buying needs. The CXO HONOUR® platform is supported by Ideation Edge Asia ([www.ideationedgeasia.org](http://www.ideationedgeasia.org)), or IDEA for short, an Industry Association of C-level senior business leaders interested in fostering a business community to further their understanding of technology trends that shapes business, societal, environmental & economical changes in Asia.

## **About i-Sprint Innovations**

i-Sprint Innovations is a premier Identity, Credential and Access Management Solutions provider for global financial institutions and high security sensitive environments. i-Sprint maintains the highest value and reliability rankings among our clients, and is one of the most recognized names in the financial world.

i-Sprint's world leading security solutions include a complete suite of Identity and Access Management solutions. The company's solution meets Internet Banking Security Guidelines from regulatory agencies in multiple countries; overcoming the security challenges of most internet and mobile banking solutions. i-Sprint delivers bank-grade versatile strong authentication (biometrics,

multi-factor authentication and more) and an identity management platform to secure multiple application delivery environments (web, mobile and cloud) based on a common security platform. Other than the adaptive authentication and single sign-on services, i-Sprint's product offerings also include E2E Encryption (E2EE) Authentication and Data Protection for transaction data and to secure access to web, mobile and cloud based applications.
