

Promon AS's End User License Agreement ("EULA")

"Intellectual Property Rights" or "IPR" means all patents, copyright, design rights, domain names, registered designs, trade and service marks (registered and unregistered), rights in know-how, rights in relation to databases, trade secrets, rights in confidential information and all other intellectual property rights throughout the world including: (a) all registrations and pending registrations relating to any such rights and the benefit of any pending applications for any such registrations; and (b) all reversions, extensions and renewals of any such rights.

"Licensee" or "Customer" means any third party that has licensed or may license the Software directly from Promon AS ("Licensor") or its duly authorized resellers through channel. A Licensee may be the End User, or the party designating the End User.

"Software" means any Promon software products provided by Licensor or its reseller, as the case may be.

1. End User is granted a limited non-exclusive, worldwide, non-transferable, license to use (in object code form only) the Software, together with the specifications and user documentation that accompany the Software (collectively "Software Documentation"). Such use shall be on the terms and subject to the conditions set out below.
2. No title or ownership of the Software or Software Documentation is transferred to Licensee by way of this License. Ownership of the Software, Software Documentation, and all modifications, enhancements, improvements, adaptations, translations and derivative works thereof and any other IPRs therein and thereto shall remain at all times with Licensor or its reseller, as the case may be.
3. The Software and Software Documentation contain material that is protected by international copyright law. All rights not expressly granted to End User herein are reserved to Licensee, Licensor's reseller, Licensor or, as applicable its licensor. End User shall not remove any proprietary notice accompanying the Software from any copy of the Software or Software Documentation.
4. End User shall not publish, disclose, rent, lease, modify, loan, distribute, alter or create derivative works based on the Software or any part thereof. Except to the extent and in the circumstances expressly required to be permitted to End User by law, End User shall not reverse engineer, decompile, translate, adapt, or disassemble the Software, nor shall End User attempt to create the source code from the object code for the Software.
5. The Software is provided to you, the End User, "as is" without any warranty of any kind, which hereby is disclaimed. End Users are using the Software at its own risk. The Licensor, its reseller or Licensee, as applicable, cannot be held liable for any kind of damage, direct or indirect or consequential, resulting from End Users use of the Software.
